My Dear Sir,

From the great interest you take in matters tending to promote public morals I would like to explain to you my system for securing honest elections.

I have presented it to a number of prominent men and they all admit that it will detect and defeat all the frauds in voting and counting ballots.

I shall be pleased to meet you at such time and place as you may be pleased to name.

It need not take more than fifteen minutes of your time.

Most Truly Yrs
G. F. Bacon

Hon.
Wm Lloyd Garrison.
